

Build Community and Purpose

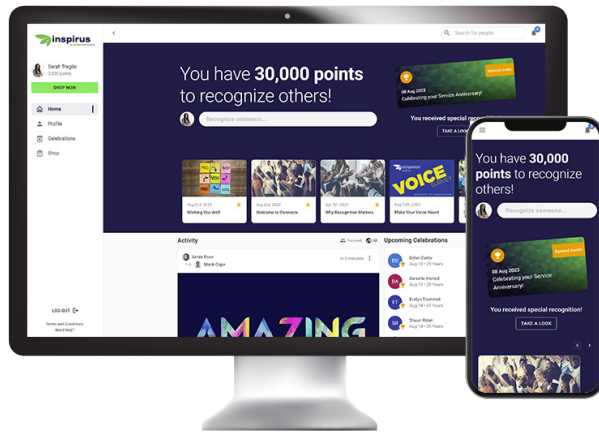

Connects empowers employees to create connections, increasing happiness and engagement

When employees feel valued and belong, they are happier, more productive and loyal.

[Inspirus'](#) technology-enabled platform [Connects](#) provides a central location for employees to interact, celebrate accomplishments and birthdays, share and receive social recognition, provide feedback and get company-wide news and communications.

Connects Elevates Your Employee Experience

Employee engagement is a powerful driver of company culture. When employees are engaged, they are more productive and innovative, which drives business performance and success.

Inspirus Connects engages employees by creating a community that connects hybrid workers and promotes your company values. The unified platform encourages the right behaviors at your organization using rewards and recognition, celebrates important career and personal milestones, distributes company wide communication to keep employees informed, and gives employees a voice to share their feedback through surveys.

From onboarding to retirement, Connects helps organizations make every step of the [employee journey](#) memorable and meaningful. This makes employees feel valued, more connected to their peers and more willing to perform at their highest level.
